

"Lose Yourself"

Listen to the song and fill in the gaps

Look, if you had, one _____, or one _____
To seize _____ you ever _____. In one moment
Would you _____ it, or just let it slip?
Yo

His palms are sweaty, _____ weak, arms are heavy
There's vomit on his _____ already, mom's _____
He's _____, but on the surface he looks _____ and _____ to drop
bombs,
But he keeps on _____ what he _____ down,
The whole _____ goes so loud
He opens his _____, but the words won't _____
He's choking how, everybody's _____ now
The clock's run out, _____, over, blaow!
Snap back to reality Oh, there goes gravity
Oh, there goes Rabbit, he choked
He's so mad, but he won't give up that easy, no
He won't have it, he knows his whole back's city ropes
It don't matter, he's dope
He knows that but he's broke
He's so sacked that he knows
When he goes back to his mobile home, that's when it's
Back to the lab again yo
This whole rhapsody
He better go capture this moment and hope it don't pass him

[Hook:]

You better lose yourself in the music, the _____
You own it, you better never let it _____
You only get one shot, do not miss your _____ to blow
This _____ comes once in a _____ (yo)
You better lose yourself in the music, the _____
You own it, you better never let it _____
You only get one shot, do not miss your _____ to blow
